

*REMARKS/ARGUMENTS**Information Disclosure Statement and 1449 Form Dated August 29, 2003*

Applicants discovered during a recent review of the instant application's PAIR record that the 1449 Form submitted with the Information Disclosure Statement dated August 29, 2003 is missing from the record. In addition, Applicants discovered that there is no record that the Examiner has considered the references AS-BN identified on the missing 1449 Form. Applicants received on September 16, 2003, a date-stamped post card receipt dated September 8, 2003 from the USPTO acknowledging receipt of the August 29, 2003 1449 Form. A copy of the date-stamped post card receipt is attached.

In accordance with the Examiner's instructions, Applicants resubmit herewith the 1449 Form dated August 29, 2003. Applicants respectfully request that the August 29, 2003 1449 Form be entered into the instant application's PAIR record and that the Examiner initial the cited references AS-BN to acknowledge that they have been considered.

*Conclusion*

Applicants respectfully submit that the patent application is in condition for allowance. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

---
